

# Installation

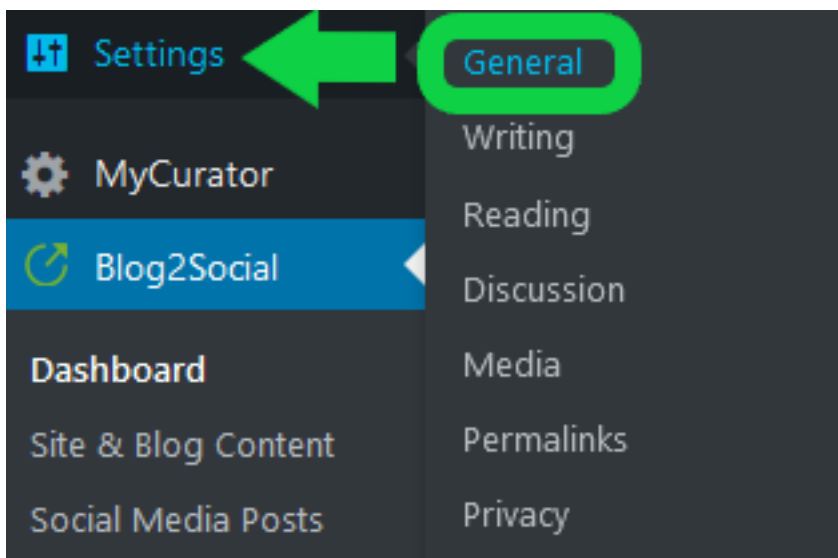

## How can I change the language settings of Blog2Social?

The language of the Blog2Social plugin depends on the language selected in the general settings of your WordPress blog. If you want to switch the language, please open "**Settings**" -> "**General**" in your WordPress dashboard and switch the language as needed.

Blog2Social is currently available in:

- English
- German
- French
- Portuguese
- Russian
- Spanish
- Italian
- Swedish

Please click on "**Settings**" in your WordPress dashboard and choose "**General**".

Here you can select the language you want to use by clicking on the dropdown menu.

Then you can confirm your changes by clicking on "**Save Changes**" on the bottom left. Done!

# Installation

The screenshot shows the WordPress Settings page for the 'General' section. The 'Site Language' dropdown menu is highlighted with a green circle and is set to 'English (United States)'. Below it, the 'Timezone' is set to 'UTC+2'. The 'Date Format' section has radio buttons for 'August 14, 2020', '2020-08-14' (selected), '08/14/2020', '14/08/2020', and 'Custom:'. The 'Time Format' section has radio buttons for '12:52 pm', '12:52 PM', '12:52' (selected), and 'Custom:'. The 'Week Starts On' dropdown is set to 'Monday'. A 'Save Changes' button is located at the bottom left of the settings area, also circled in green.
