

Connecting Social Networks

How do I connect Blog2Social with my LinkedIn page?

You can connect any LinkedIn page to Blog2Social of which your LinkedIn profile is **"super administrator"**.

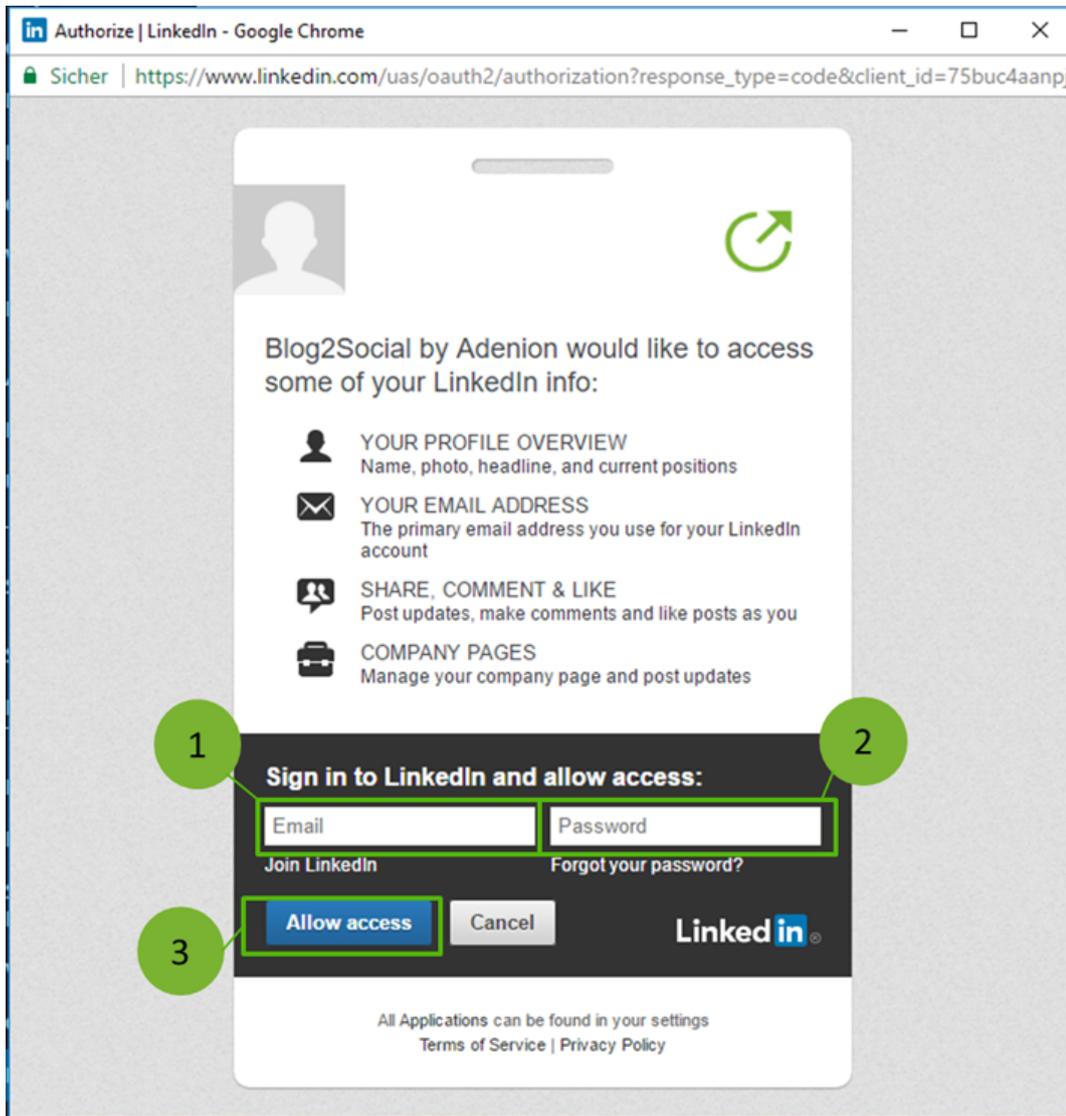

To connect to a LinkedIn page, please go to **"Networks"** within your Blog2Social Dashboard. Here you find an overview of all the networks you can connect Blog2Social with. Just click on **"Connect Page"**.

A separate window will open and ask you for your log in data. Please enter:

- Your username / email
- Your password
- Click on "allow access"

Connecting Social Networks

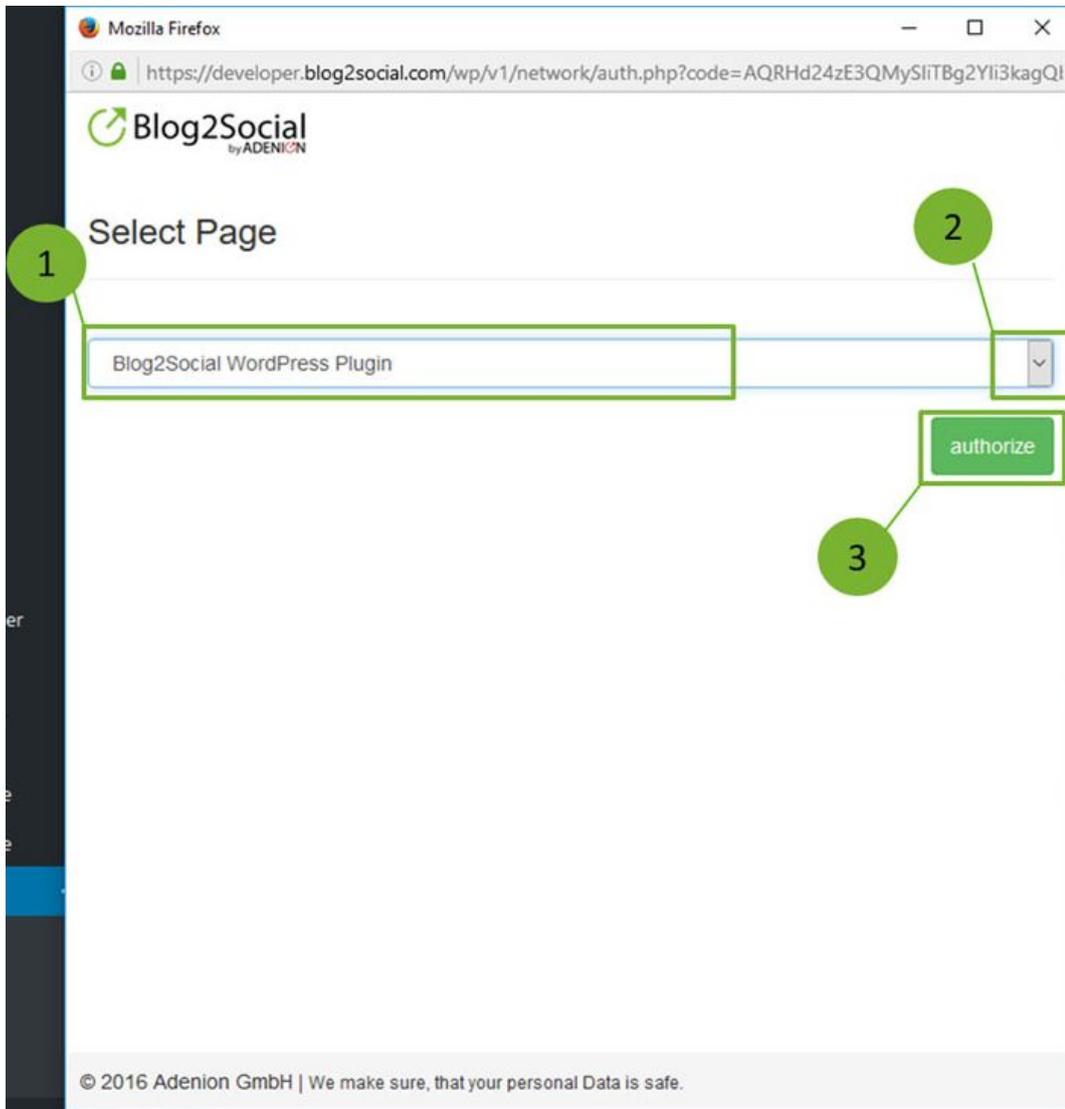

If your preferred LinkedIn page is not displayed after clicking on "**Connect Page**", please make sure that your LinkedIn profile is set to "**Super Admin**" for this specific page on LinkedIn.

Tip: If you are already logged into your LinkedIn account in another tab of your browser, Blog2Social will automatically connect to your profile, when you click on "**Connect Page**".

After you've clicked on "**authorize**" you will have the opportunity to select the page you want to connect. If your LinkedIn page is not displayed, please check if your LinkedIn profile is "super admin" of the page you want to connect.

- The name of one of your LinkedIn pages should appear here
- If you have more than one LinkedIn page connected to your LinkedIn profile, please select which page you want to connect from the drop-down menu
- Click "**authorize**"

Connecting Social Networks

Done! You have successfully connected your Blog2Social to your LinkedIn page.
