

Connecting Social Networks

How do I connect Blog2Social with Flickr?

To connect your Flickr profile, please go to "**Networks**" within your Blog2Social Dashboard.

Here you find an overview of all supported networks you can connect Blog2Social with. Just click on "**Connect Profile**".

The screenshot displays the Blog2Social dashboard interface. On the left, a dark sidebar contains navigation options: Dashboard, Posts, Media, Pages, Comments (2), Opinion Stage, Icegram Collect, Icegram Engage, Profile, Tools, Yoast SEO, Blog2Social, and a sub-menu for Dashboard including Networks, Social Media Posts, Video Posts, Social Media Metrics, Calendar, Settings, PR-Service, Help & Support, and PREMIUM. The main content area is divided into three columns. The first column contains a 'Networks' section with a green arrow pointing to the 'Connect Profile' button for Flickr. The second column features a 'BLOG2SOCIAL BLOG NEWS' section with three articles. The third column lists various social media networks with their respective 'Connect Profile' and 'Connect Page' buttons. The 'Flickr' network is highlighted with a green arrow pointing to its 'Connect Profile' button.

A separate window will open and ask you for your log in data. Please enter:

- Your username / email
- Your password
- Click on "**allow access**"
