

# Connecting Social Networks

## How do I connect my TikTok Profile with Blog2Social?

To connect your TikTok Profile in Blog2Social, just click on "**Networks**". Here, you will find an overview of all networks. Simply click "**Connect Profile**" next to TikTok.

The screenshot displays the Blog2Social dashboard. On the left is a dark sidebar with navigation options: Dashboard, Profile, Assistini, Blog2Social, and a list of menu items including Social Media Posts, Video Posts, Social Media Metrics, Calendar, Settings, PR-Service, Help & Support, PREMIUM, and Collapse Menu. The 'Networks' menu item is highlighted. The main content area is titled 'Networks' and features a 'Social Media Networks' tab and a 'Video Networks NEW' tab. Below these are filters for 'Show all' and '+ Create new network collection Info', along with a 'Load Best Times' button. A list of social media networks is shown, each with its logo, name, a 'Guide' link, best time slots, and action buttons. The 'TikTok' entry is highlighted with a green box, and a green arrow points to its 'Connect Profile' button. Other networks listed include Facebook, X (Twitter), Bluesky, Instagram, Threads, and Google Business Profile.

A new window will open, where you can enter your login credentials.

 Feedback and help

## Log in to TikTok

Manage your account, check notifications, comment on videos, and more.

Use QR code

Use phone / email / username

Continue with Facebook

Continue with Google

Continue with Apple

By continuing, you agree to TikTok's Terms of Service and confirm that you have read TikTok's Privacy Policy.

Great, your TikTok Profile is now connected to Blog2Social!

## Troubleshooting

If you're receiving the error message "Please note that you need to update your app to the latest version to use this feature for TikTok," please ensure that your TikTok app is updated to the latest version on your mobile device. Once updated, sharing should work as expected.
