How do I connect my Facebook page with Blog2Social?

If you are wondering how to connect a Facebook page with your blog or are interested in connecting your Facebook page with WordPress, this guide will help.

Start by going to "**Networks**" within your Blog2Social Dashboard. Here, you'll find an overview of all the networks you can connect Blog2Social with. To connect to your Facebook page, you need to be the admin of that page. Simply click on "**Connect Page**" next to Facebook to proceed.

A separate window will open and ask you for your login data if you're not already logged into Facebook in your browser. Please confirm your authorization by entering:

- Your email
- Your password

If you manage multiple pages, you can easily choose which specific Facebook page to connect:

- Select the specific page in the drop-down menu
- Confirm everything by clicking on "**Authorize**"
