

Contracting and Licensing

How many social media posts can I share with Blog2Social?

Depending on your Blog2Social version, you can publish a different number of social media posts.

Free = 50 posts daily

Free 30-days Premium Trial = 50 posts per day and 500 in general

Smart = 100 posts per day and 36,000 annually

Pro = 250 posts per day and 90,000 annually

Business = 500 posts per day and 180,000 annually

Additionally, there are various limits depending on the feature in Blog2Social: You can load your already published website posts into a [queue and have them automatically shared on social media](#).

Smart = 25 posts per queue / user

Pro = 50 posts per queue / user

Business = 100 posts per queue / user

Furthermore, with the [Auto-Poster for imported posts](#), you can automatically publish posts from RSS feeds or other plugins.

Smart = 25 posts per day / user

Pro = 50 posts per day / user

Business = 100 posts per day / user

You can find more information on prices and options on our [pricing page](#).
