## Where do I find my affiliate link?

In just a few steps, you can get your affiliate link:

1. First you need your affiliate ID 'Agreement ID'. You will find your affiliate ID in your personal affiliate account. On the left hand side menu you will see a submenu 'Networks'.
2. Click on the submenu and you see your affiliate ID 'Agreement ID' for Blog2Social\_ <https://cc.payproglobal.com>

3. Enter your affiliate code in a link created specially for you. The link leads directly to the license offers of Blog2Social. When a potential customer clicks this link, the sale will get assigned to you automatically. This way you will also get rewarded if a customer decides to buy a licences for Blog2Social on a later date within one month.
4. Click on the button '**Get code**' below. You now get your affiliate link for the selected advertising banner. Make sure that your Affiliate-ID is entered correctly in the link.
