

Connecting Social Networks

How do I connect Blog2Social with my Facebook profile?

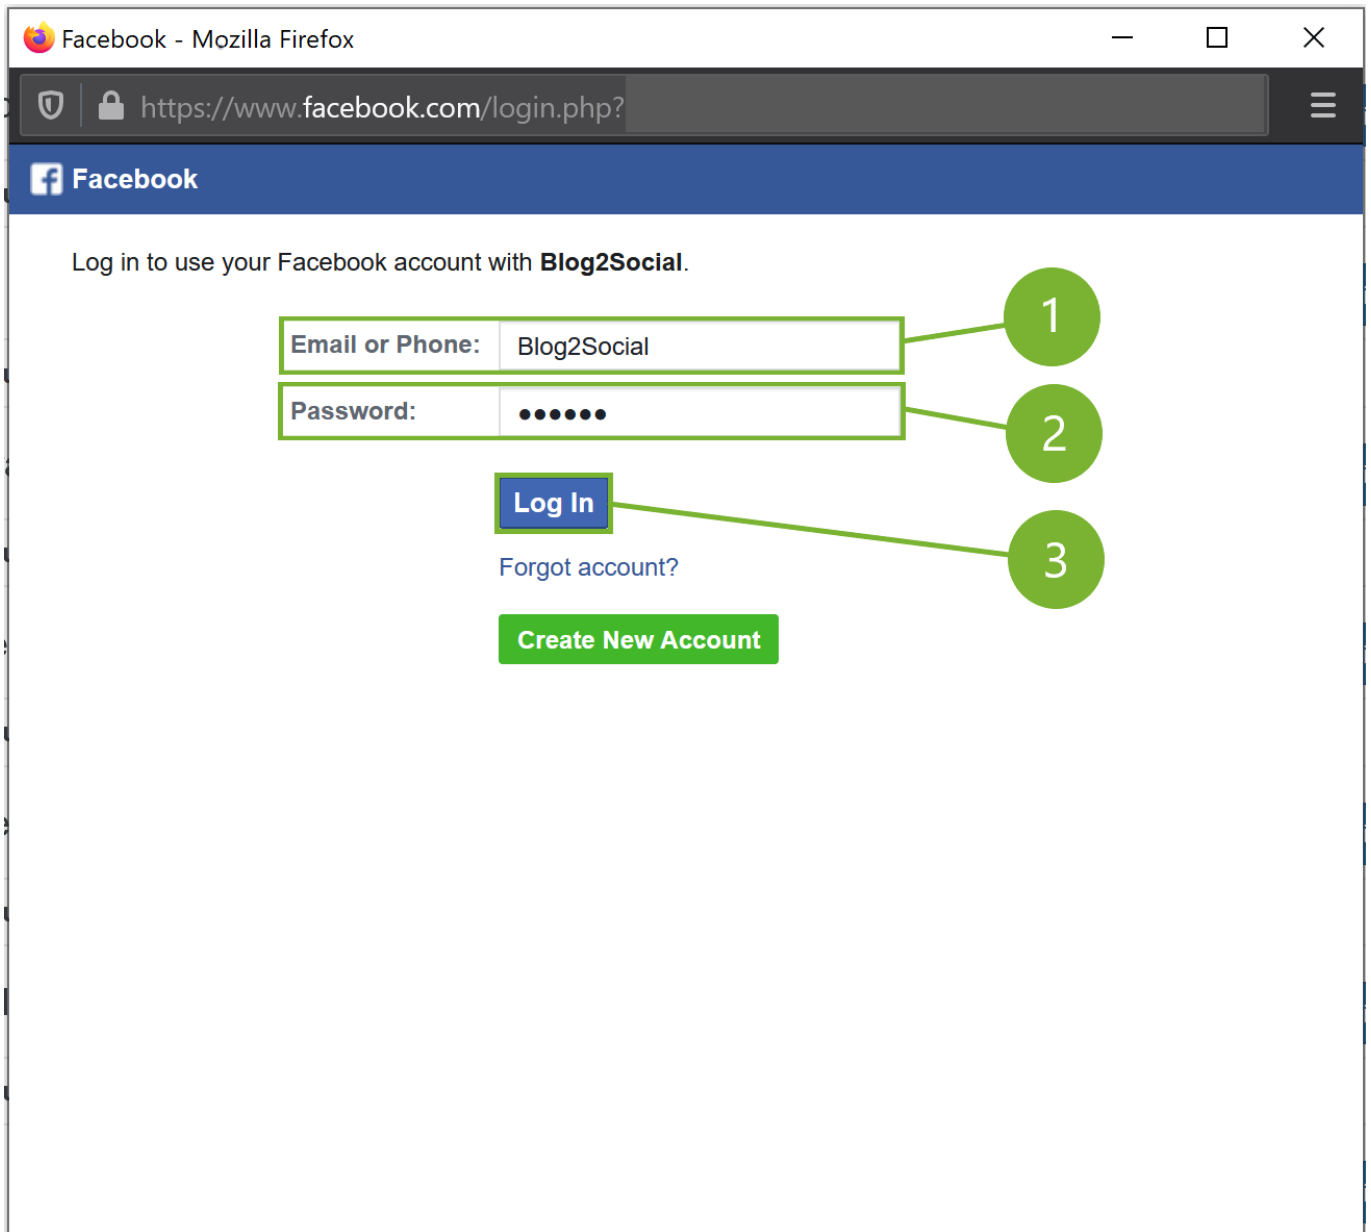

To connect Blog2Social with your Facebook profile, please go to "**Networks**" within your Blog2Social Dashboard. Here you find an overview of all the networks you can connect with Blog2Social. Please click on "**Connect Profile**".

A separate window will open and ask for your log in data. Please authorize the connection to Facebook by entering:

- Your username
- Your password
- Confirm everything by clicking on "**Log In**".

Connecting Social Networks

Done! You've successfully authorized your Facebook profile

Once you've connected your Facebook profile, you can use Facebook Instant Sharing to share your posts on your profile. [Learn how to use Facebook Instant Sharing on your Facebook profile.](#)
