## How do I connect Blog2Social with Diigo?

To connect to Blog2Social to your Diigo profile, please go to "**Networks**" within your Blog2Social Dashboard. Here you find an overview of all the networks you can connect Blog2Social with. Just click on "**Connect Profile**".

A separate window will open and ask you for your log in data. Please enter:

- Your username / email
- Your password
- Click on "**authorize**"
