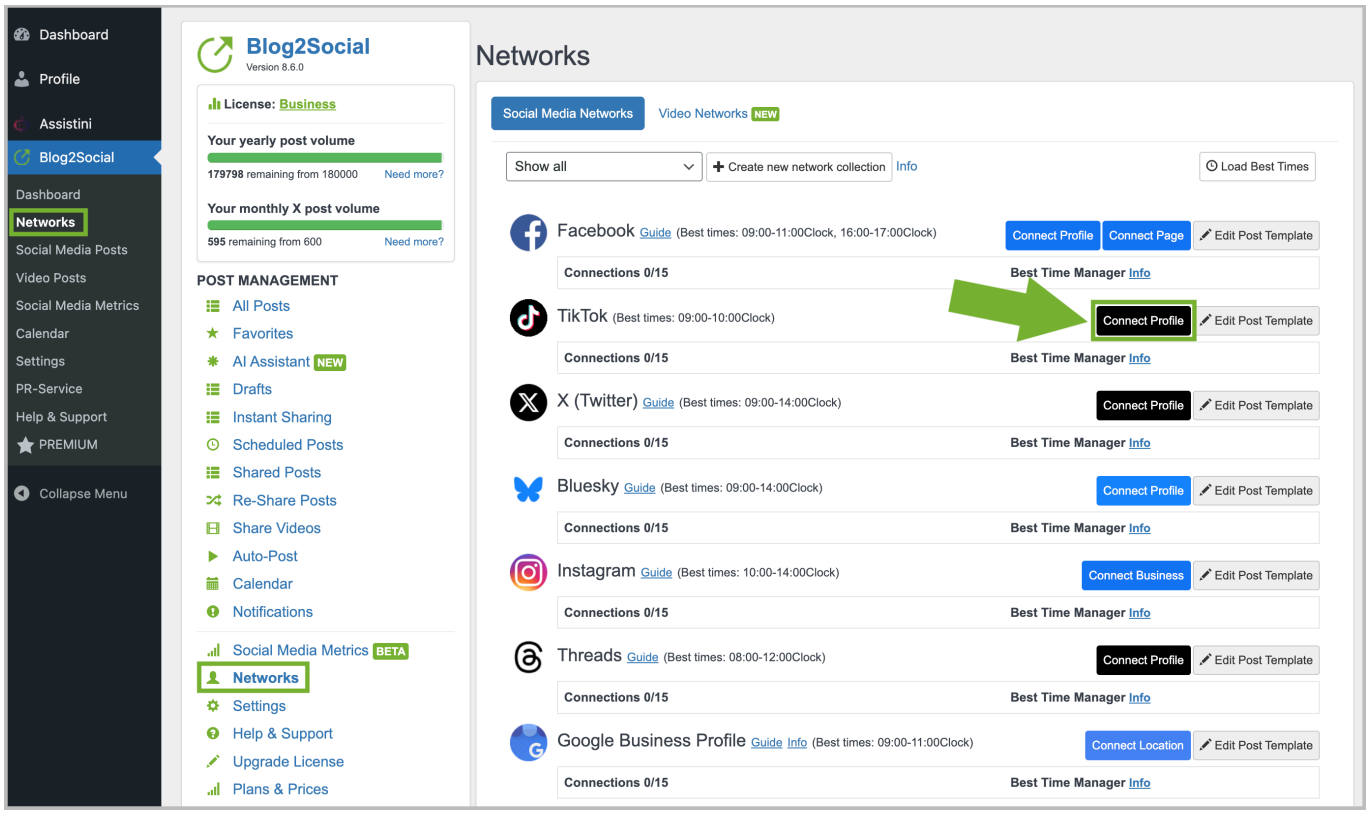
Connecting Social Networks

How do I connect my TikTok Profile with Blog2Social?

To connect your TikTok Profile in Blog2Social, just click on "**Networks**". Here, you will find an overview of all networks. Simply click "**Connect Profile**" next to TikTok.



A new window will open, where you can enter your login credentials.

Great, your TikTok Profile is now connected to Blog2Social!

Troubleshooting

If you're receiving the error message "Please note that you need to update your app to the latest version to use this feature for TikTok," please ensure that your TikTok app is updated to the latest version on your mobile device. Once updated, sharing should work as expected.
