

# Scheduling and Best Time Manager

## How do I schedule blog posts to be shared only once?

To schedule a blog post to be shared only once, please click on "**Social Media Posts**" in your Blog2Social dashboard and click on "**Share on Social Media**" for the respective post.

The screenshot displays the Blog2Social dashboard interface. On the left sidebar, the 'Social Media Posts' menu item is highlighted with a green box and a green arrow labeled '1'. The main content area shows a list of blog posts with a 'Share on Social Media' button for each. A green arrow labeled '2' points to the 'Share on Social Media' button for the first post, 'Daily Social Media Management in 5 MINUTES - How much time can you save using...'. The dashboard also includes a top navigation bar with options like 'Share WordPress Content', 'Share New Link Post', 'Share New Text Post', 'Share New Image Post', and 'Share New Video Post'. Below this, there are search and filter options for posts.

1. Click on the drop-down menu and
2. Choose "**Schedule for specific dates**"
3. Choose date and time
