How can I delete already published social media posts in Blog2Social?

To delete already published social media posts in the Blog2Social dashboard, please do the following:

1. Click on the button "Site & Blog Content"
2. Then go to the "shared posts"
3. Select the posting where you want to delete the publication from the list at Blog2Social and click on Details
4. and click on "delete" to delete this publication from this list.
